9 RED

WINE CATEGORY: Red Dry

GRAPE VARIETY: 40% Cabernet Sauvignon, 40% Merlot, 20% Syrah

GRAPE ORIENTATION: Muses Valley, on the mountain of Elikon in Central Greece

INSPIRATION: The 9 Muses who lived in Muses Valley

CLIMATE: The climate is characterized by mild, wet winters and dry summers, with long periods of sunshine

WINE CHARACTERISTICS: Bright deep purple colour. Elegant bouquet with notes of blackcurrants, blackberry, cassis, spices and perfumed smoke. In the mouth it is soft, pleasant, fruity with light hints of black pepper giving a delicate wine a pleasant finish

HARMONY: Ideally suited to game, lamb, broiled or casseroled red meats and hard cheeses

VINEYARD: The soil is fertile, with mixed composition ranging from sandy loam to clay loam thus offering the possibility of producing wines of exquisite quality and rich aromas. The microclimate of the region is characterised by cold winters and warm summers, while a small river called Permisos contribute to the existence of a mild continental climate

VINEYARD SLOPE: The vineyards are located at an altitude between 450 and 550m and have a slope between 3 and 7%

VINE-GROWING: We cultivate our vines according to the principles of integrated agriculture, which ensures protection for the environment, the consumer and the people working in the fields.

Most of the varieties are planted in linear vineyards trained in double cordon royat. We plant all of our vines in densely planted rows, a technique which results in lower yields per vine and, therefore, higher quality grapes

AGEING: Unoaked // **DURATION:** 3-5 Years

ENOLOGIST & VINEYARDS MANAGER: Nikos Zacharias
