

CABERNET SAUVIGNON

WINE CATEGORY: Red Dry

GRAPE VARIETY: 100% Cabernet Sauvignon

GRAPE ORIENTATION: Muses Valley, on the mountain of Elikon in Central Greece

INSPIRATION: The 9 Muses who lived in Muses Valley

CLIMATE: The climate is characterized by mild, wet winters and dry summers, with long periods of sunshine

WINE CHARACTERISTICS: Pure cherry and blackberry fruit mingles with mineral, spice and earth notes. Displays great focus, an elegant profile and a long, lingering finish

HARMONY: Combine it with rich red meat, beef Bourguignon or with yellow cheese

VINEYARD: The soil is fertile, with mixed composition ranging from sandy loam to clay loam thus offering the possibility of producing wines of exquisite quality and rich aromas. The microclimate of the region is characterised by cold winters and warm summers, while a small river called Permisos contribute to the existence of a mild continental climate

VINEYARD SLOPE: The vineyards are located at an altitude between 450 and 550m and have a slope between 3 and 7%

VINE-GROWING: We cultivate our vines according to the principles of integrated agriculture, which ensures protection for the environment, the consumer and the people working in the fields.

Most of the varieties are planted in linear vineyards trained in double cordon royat. We plant all of our vines in densely planted rows, a technique which results in lower yields per vine and, therefore, higher quality grapes

AGEING: 12 months in oak barrels 225lit

DURATION: It is recommended for long maturation, beyond 10 years

ENOLOGIST & VINEYARDS MANAGER: Nikos Zacharias

CELLAR MASTER: Panajiotis Zacharias

Served Best at
16-18° C

Alcohol
14%

Soil
Sandy loam to clay loam

Vineyard Slope
3% - 7%

Production / Stump
1.4 kg/stump
